RPNM Congratulates Congressman Steve Pearce

Albuquerque—With today's seating of the 112th United States Congress, GOP Chairman Monty Newman issued the following statement congratulating New Mexico's recently elected congressman, Representative Steve Pearce (NM-CD2):

"Fed up with runaway spending, record deficits, and eroding liberties, Americans went to the polls in November and elected a Republican majority to serve them in the U.S. House of Representatives. It is a great honor that one of New Mexico's own will add to this conservative chorus.

"As an experienced lawmaker with a reputation for shooting straight and standing firm on his convictions, Steve Pearce will roll up his sleeves and work hard on behalf of his constituents in the state's Second Congressional District. I have had the opportunity to observe Steve in his capacity as a husband, father, grandfather, businessman, and a legislator—not only as a U.S. congressman but also as my state representative. He has inspired me and others to serve our state and country in many ways and I am privileged to consider him my friend.

"And so, as he is sworn in as a member of the 112th Congress, I congratulate Representative Pearce on his accomplishment and I look forward to his service."
